October /Pro-Life Month: If there is anything for which we as Catholics are most actively opposed in a now very secular society, it is certainly our unwavering stance on the sacredness of all human life.

Yet what else, as people of God, can we believe but that all life is a gift from God, and human life in particular as fashioned in the image of God is sacred.

As the crown of all of God's creation, human life is not something over which we have been given dominion but rather stewardship in that it is our duty to support, protect and defend human life over those forces that without qualm of conscience would take to themselves the privilege of extinguishing it.

So, during this month of October, let us pray for the courage to patiently endure whatever forms of opposition we must face as the price we have to pay for being faithful to the design and will of God as regards human life.

Let us pray for an end to abortion, capital punishment, euthanasia, armed violence and war - so that respected and protected, human life may thrive in this world.

Farewell to Fr. Marek: This weekend at the 10:30 AM Mass and with a reception following in the Hall, we formally say goodbye to Fr. Marek as he prepares to leave for a new assignment. However, the good news is that Fr. Marek will not be leaving this coming week as his arrival at his new assignment has been postponed until the end of the month.

So while it may be a longer goodbye than expected - we are happy to have Fr. Marek's joyful presence among us as long as possible!

Blessing of (leashed/caged) Animals: As is the Catholic custom proximate to the feast of St. Francis of Assisi, well known for his love of all creatures, we will bless

animals in front of the saint's statue on the right side of the front entrance to the rectory; this blessing will take place this Sunday at noon. Please arrive in advance of noon as the blessing ceremony is brief and late arrivals may miss out!

Two Teams at Work: Please continue to pray for the two teams sponsored by the Parish Pastoral Council which have begun work focused on two important areas of Parish Life - Evangelization and Strategic Planning.

The Evangelization Team will work to identify the best outreach approach to inactive Catholics among several that have been developed which could best be implemented in our parish.

The Strategic Planning Team will come up with a plan that identifies what two pastoral priorities we should be focused on over the next 3-5 years as a parish.

Let us thank God for the generous gift of time, expertise and talent being shared with our parish by all who are serving on these two teams.

IF YOU HAVEN'T YET DONE SO, PLEASE REMEMBER TO GENEROUSLY SUPPORT OUR "WE ARE FAMILY" ANNUAL CAMPAIGN.

YOUR SUPPORT IS BOTH NEEDED AND GREATLY APPRECIATED!

LIFE LINES

All of us are called by name to be a disciple of Christ; may He give us courage to open our hearts to those who are most vulnerable during this Respect Life Month.

May we show by our words and actions that every human life is cherished and chosen by God.

May our Heavenly Father give us love for all people, especially the most vulnerable, and help us bear witness to the truth that every life is worth living.

May we build a culture of life by embracing our mission as messengers of God's love.

May the Lord grant all U.S. Catholic bishops the strength to be holy shepherds in protecting and leading their sheep.
