**A day of rest and thus a Happy Labor Day is wished to all among us who are working.** Prayers are requested on this holiday especially for those who would like to be working but who find themselves at present to be under or unemployed. In the midst of these unusual circumstances we can perhaps appreciate anew the importance of work that is meaningful and adequately compensated because work such as that contributes greatly to human dignity, thus, may all who seek it find it!

**Thank You:** Gratitude is due to all who have participated in our annual Summer Raffle! Chances for the \$5,000 grand prize and \$6,000 in additional prizes may be purchased up to 11:45AM in the parish office on this Sunday morning. Winning tickets will be drawn at 12 noon and the drawing may be viewed on our parish Facebook Page, Christ the King Parish, or by visiting **Facebook.com/CTKCapeCod**

**No Reservations Required:** As the Summer vacation season unofficially closes this weekend and with it the uncertainty as to the number of people desiring to attend Masses here on Saturday evening and Sunday, we will not be requiring reservations for Masses going forward with the exception of the Masses for the celebration of Christmas. While the reservation requirement will no longer be in force the others regarding hand sanitizing, mask wearing and maintaining safe distancing must remain in place for the foreseeable future to help keep all of us safe while attending Church; again, your patience and your cooperation with these precautionary measures are deeply appreciated!

**The Bookend Feasts of the Month of Mary:** This coming week the Church remembers the Birth of the Blessed Virgin Mary on September 8<sup>th</sup> and then one week later, on September 15<sup>th</sup>, will honor Mary under the title of Our Lady of Sorrows. Thus, the month of Mary in the liturgical year which began on the Feast of the Assumption on August 15<sup>th</sup> followed one week later with the celebration of the Queenship of Mary will conclude after the observance of these final two bookend feasts.

**Triumph of the Holy Cross:** Christians throughout the world will observe the Solemnity of the Exaltation / Triumph of the Holy Cross on September 14th. The historical roots of this feast go back to the dedication of the original Church of the Holy Sepulcher in Jerusalem on September 14, 335 A.D. The Church of the Holy Sepulcher is indeed the most important of all shrines in the world to the traditional Christians of the Apostolic Churches which include all those that fall under the umbrella of the Roman Catholic and the Eastern Orthodox Churches. The Church of the Holy Sepulcher was constructed by the Emperor Constantine to house the abandoned rock quarry called Golgotha where the crucifixion of Jesus occurred as well as an adjoining garden in which tombs had been excavated out of the soft rock and thus where the body of Jesus was hastily buried. As the Church which encloses the sites of the death and resurrection of Jesus, the Holy Sepulcher is the place where the redemption of the world was accomplished and as such there is no comparison to any other church or place in the entire world in terms of holiness. This feast also reminds us that in 326A.D. it was Helena, the mother of Constantine, who is credited with identifying these sites as lying under two temples and a forum that had been built over them by the Emperor Hadrian in 125 A.D, and after ordering excavations there found the tomb of Christ intact as well as the remnants of the Cross on which he died at the bottom of the rock quarry. So as this feast focuses our attention on Jerusalem, we are asked to remember the clergy and the faithful Christians who still reside in the Holy Land as the living stones who tend to the shrines associated with the life, death and resurrection of Jesus and who keep the faith alive in this important but rather difficult place in the world. When we hear "Palestinian" we are conditioned to

think Arab, and therefore Moslem but often forget that some among them are Christians who are descended from the original Christians of that Holy Land or those who came to it during Byzantine era or during the Crusades. Each year on Good Friday we are asked to show our solidarity with our brothers and sisters in faith who sacrifice much to remain in the Holy Land to tend to the places of importance to us and to keep the faith alive there so as not to turn it into a mere museum. We will show that solidarity by contributing generously to the **Good Friday Collection**. As churches were shut down on this past Good Friday, Pope Francis has moved the collection to next **Sunday, September 13<sup>th</sup>**, the eve of the Solemnity of the Triumph of the Holy Cross, as an appropriate time to show our generosity to the faithful of the Holy Land. While the pandemic has been hard for many of us it is especially so for the Christians there whose livelihoods are often connected with pilgrimages that have ceased since late February and which do not show any sign of resuming in the near future. The Franciscans who have been sent by the Roman Pontiffs as stewards of the Holy Land and its shrines for over 800 years now try to provide affordable housing, employment, education and medical services to assist the local Christians to stay in the Holy Land, but they depend on our support through this annual collection to do so. So please use the envelop you may have received, or simply create one that says "Holy Land" on it and include it with your weekly contribution next weekend and let us give whatever encouragement we may to our fellow believers in the land made especially holy because it became home to the Word made flesh!

LIFE LINES

"Sin is part of the human terrain and a daily challenge to our discipleship. And if our hearts are cold, if our minds are closed, if our spirits are fat and acquisitive, curled up on a pile of our possessions, then the Church in this country will wither.

It's happened before in other times and places, and it can happen here.

We can't change the world by ourselves, And we can't reinvent the Church. But we can help God change us. We can live our faith with zeal and conviction – and then God will take care of the rest."

Archbishop Charles Chaput
