**Back to "Catholic" School (For All of Us!)** Thanks to a generous donation the nearly \$2000 annual cost to subscribe the entire parish to **WORD ON FIRE ENGAGE** has been covered and so that will allow access for all parishioners to the many fine homilies, commentaries, courses and programs recorded by Bishop Robert Barron, the preeminent and most reliable evangelist in the United States Catholic Church at this time. Several sites claiming to be Catholic on the internet are too laden with extreme biases to one side or the other, but primarily to the right, so as to make them very poor choices for information about the Church, its faith and proper practice. This includes websites which are not worthy of our attention if we wish to have an authentically Catholic outlook because no one can be against the Pope or the decisions of the Second Vatican Council and say they are truly Catholic. Opposing these is truly a sin against the Holy Spirit because it is an outright denial that the Spirit is at work in the deliberations and decisions of a major Church Council (the largest in history) and the validly conducted election of the successor of St. Peter. Therefore, when one finds such content on various "Catholic" sites these are best avoided lest they become near occasions of what Jesus himself declared to be the most unforgivable of sins! On the other hand, good content such as that found on the **WORD ON FIRE WEBSITE** is educational and edifying and worth our time as all of us should never quite be entirely satisfied with what we presently know in terms of our religion, but seek to know as much as possible especially about the scriptures and sacraments. Bishop Barron's award winning 10-part series **CATHOLICISIM** is truly a must-see basic program for all

adult Catholics who wish to understand the beauty and wisdom of our faith as is also his series on **THE MASS**. A series titled **PIVOTAL PLAYERS** which examines the lives of some of the saints and other prominent Catholics is also very inspirational, and the most recent series on **THE SACRAMENTS** is eye opening and a needed update on what most of us learned in our younger days as we prepared to receive them. So because ongoing formation as adults is an essential responsibility of every Catholic, and the parish is unlikely to be able to hold in person scripture or other studies in the foreseeable future, our access to **ENGAGE** will assist each of us as parishioners and the parish as a whole to be about this important work which fosters deeper development in faith through further knowledge of relevant subjects. Best of all is that what is being taught is being done so by one of the best and most reliably orthodox teachers in the church today. **Access to ENGAGE is through FLOCKNOTE a parish contact and information sharing program to which many of our parishioners have already subscribed by texting CTKCAPECOD to 84576 or going online to ctkcapecod.flocknote.com!**

**Thank You 50 Plus Club Members:** Two additional Hymn Boards created especially for Christ the King Parish by Lloyd's Woodworking of Hudson were recently installed on the pillars in the central nave of the Church. These were certainly needed as the two already placed on the pillars in the wings are at a substantial distance for many of us whose long-distance vision perhaps isn't quite as accurate as it once might have been. Therefore, the donation of these helps to our aging eyes seems so appropriate in that it is coming from the members of the 50 Plus Club to whom we all owe a debt of gratitude for their generosity! Now we wait for the happy day when this pandemic is finally controlled or defeated so that we can go back to consulting the numbers displayed on the Hymn Boards in order to use our beautiful Missals to help foster our full participation in the Mass and our congregational singing!

**Stewardship:** I often wonder how many other pastors are as blessed as I am to be able almost continually to have to thank the members of the parish for their amazing generosity! This week we received the final total of donations to the annual Catholic Appeal which provides the funds to assist Bishop da Cunha in oper-

ating so many apostolates, ministries, and agencies throughout the Diocese of Fall River. 446 households of Christ the King Parish, 53 of them for the first time, donated a total of \$119,925 to the Appeal which is \$6,548 more than last year! I am extremely grateful for this level of support and rightly assume that Bishop da Cunha is as well! It is also amazing that during this time of pandemic when it is not possible to hold our annual Golf Tournament this week, that parishioners and businesses have already donated \$12, 645 to the

causes which benefit from the proceeds of the annual Tournament. These causes are the charitable works of the parish to relieve the hardships of the local poor as carried out by the Knights of Columbus and the St. Vincent de Paul Society and which are supported by the Matthew 25 Fund. Finally, at this time when the numbers of people coming out to Mass during a pandemic is only a fraction of the usual number who attend Mass regularly and with a clear lack of influx of usual summer visitors this season such that sale of raffle chances would not have been all that significant even if these had been able to be sold after Masses, it is truly amazing that our final raffle sales total of over \$43,000 would have topped any of the totals of previous years! After awarding \$11,000 in prizes and paying our printing and mailing costs we may have cleared nearly \$29,000 to share with the parish organizations who are the primary beneficiaries of this annual summer raffle. After doing a more accurate accounting a full report will be published but all signs now point to a great success even during an unusual summer season when I honestly wondered at the beginning if we would even be able to make enough to pay out the promised prizes; thank you to all who participated and helped create this most generous surprise! Admittedly, I fear I may now be becoming a bit spoiled and thus have high expectations for the success of our grand annual collection THE WE ARE FAMILY CAMPAIGN, yet this recent experience suggests that when that campaign ends in late November, I will not be disappointed! **Thanks to all who love their parish enough to sacrifice as necessary to support it and its charities and organizations so very generously!**

We got this!!

The Feast of the Exaltation of the Holy Cross, celebrated every year on September 14, recalls three historical events: the finding of the True Cross by Saint Helena, the mother of the emperor Constantine; the dedication of churches built by Constantine on the site of the Holy Sepulchre and Mount Calvary; and the restoration of the True Cross to Jerusalem by the emperor Heraclius II.

The power of the Cross continues even today! And then of course, for us as Catholics, it can't just be a cross, it has to be a crucifix. We keep the body of Jesus, the corpus as it is called, on the cross so that we never forget what Jesus did on the cross two-thousand years ago.

The cross is not a piece of art.
