Pope's Lenten message: "Abstain from harsh words and rash judgement."

Pope Leo XIV invites Catholics to open ourselves to listening, fasting, and community, urging us to abstain from words of hatred in order to make space for words of hope and peace.

"I would like to invite you to a very practical and frequently unappreciated form of abstinence: that of refraining from words that offend and hurt our neighbor."

February 18, the Pope said this liturgical season offers Christians an opportunity to place the mystery of God back at the center of our lives.

Every journey of conversion, he said, begins by letting God's word touch our hearts, so that we may renew our commitment to follow Christ in the mystery of His saving passion, death, and resurrection.

Pope Leo focused on the importance of listening to God and to those around us, allowing ourselves to enter into authentic relationships.

WHAT'S MISSING?

Do you have questions about your Catholic faith? Do you know why you are Catholic? Religion and faith may at times be confusing. Of course, God is mystery, and not all questions have an answer.

However, the idea is to explore that area between black and white, to find the spiritual rainbow who is our Lord, Jesus Christ. Please join us for discussion and prayer.

This process is for those who want to bridge the gaps in their journey of faith.

When school is canceled in Mashpee due to snow or weather, we ask you not to attend weekday morning Mass.

We can't rely on school cancellations to determine Mass celebrations during substantial storms on Saturdays, Sundays, holidays, and school vacation weeks. Safety is our top priority, and we must err on the side of caution.

During a storm, when a celebrant is in residence, they'll celebrate Mass and it'll be available via live stream. *When in doubt check the homepage of the website.*
